PRICK THREE CENTS

## THIRTY-SIX TAKE PART IN FIELD DAY

Joy Rules as Board of Trade Holds First Annual Picnic.

### DAVIS' FIFTEEN WINS

Narberth's Board of Trade held its first annual picnic Wednesday. As a result it is understood the three drug stores in the borough have exhausted their supplies of liniment, while massagers are doing a rushing business. Thirty-six of Narberth's most prominent merchants were on the outing, which lasted from 3 P. M. until dusk. Three Tuns Inn, Ambler, was the locality honored.

Baseball featured the day's entertainment, although there were other sports, and a good beefsteak dinner. The Board of Trade was transported in cars offered by many of the members, including Messrs. Walzer, White, Miller, Case and Baird Caldwell. Worn but happy, they were all brought safely home, with their cargo of prizes, which included fountain pens, pencils, cigars, cigarettes and a vanity case.

Fifteen on each side, all playing at once, the Walzer-Davis ball team got off to one of the most eccentric ball games in the history of the sport. Only 11 runs were scored by Gene Davis' fifteen, while Squire Walzer's willing workers waltzed eight times around the bases to a loss.

Dan Leitch pitched for the losing fifteen, and N. R. Peacock hurled his side to victory, with the aid of Gene Davis. Harry Cook smote lustily at many things, including the ball. Ed Haws and Morris Straus starred frequently. Miller fielding was of a nature befitting the president of the Narberth Ball Club.

Strikes Out Perfectly.

Walt Case was like a brick wall behind the bat (whatever that means). "Sparky" struck out three times with perfect precision. Harry Postman's delayed steal was one of the features of the game.

Taylor Henry showed that he would make a good golf caddy. So many lost balls were retrieved by him that a passerby made the sad mistake of inferring that a golf match was in progress.

George Dando called "safes" "outs," and "outs" "safes" in his capacity of umpire. Harry Wall called the "balls" "strikes," and the "strikes" "balls" with infallible judgment. Aside from making slightly erroneous decisions, and unfamiliarity with the rules, both umpires were found to be very good. Absolutely impartial were their decisions, which benefited neither side, equally.

The base running and the pitching were a never-failing source of excitement. More bases were stolen than could be replaced. They were frequently overvalued, too.

Dan Leitch, J. B. Nesper, Joe White and Ed Haws participated in a race which White won by a few hairs' breadth. It was a close heat between Haws and White for most of the distance. The course was somewhere between fifty feet and two hundred yards. Nesper was last, and proud of it. A second race was run, and this time the indefatigable Dan Leitch was declared the winner.

Bill Fowler won the ball-throwing contest. It was claimed by the defeated contestants that he used either a lighter or a heavier ball, or perhaps both. These he indignantly denied.

### SNOW ADDRESSES

Rotary on History and Education.

"Wars would cease, and the world would be a far better place if the lessons of history were made known to school children and their parents the world over," said Principal E. H. Snow, of the Lower Merion Junior High School, in a talk to the Bala-Cynwyd-Narberth Rotary Club Tuesday noon at the weekly luncheon in the Cynwyd Club.

"The history of the world has an important bearing on education," declared Professor Snow. The history of the various nations of the world was briefly discussed by Mr. Snow, whose talk was interesting and full of information.

Visitors at Tuesday's luncheon included Al Reid and Charles Lawser, of Philadelphia; Daniel Leitch, vice president of the Merion Title and Trust Company, and Luther Parsons, Cynwyd "old-timer."

Borough taxes: 5 per cent. discount allowed if paid before October 1. Borough taxes are net. January 1, 5 per cent. penalty added. It is necessary to hold receipt for taxes in selling property. If you mail your check be sure to enclose stamped envelope for return receipt.

## Stage All Set for Narberth's Big Fourth of July Celebration

Monday's celebration of Independence Day in Narberth will be one of the best and biggest in the history of the borough. Plans now complete call for a flag raising, a ball game on the community playground, a band concert from 7 to 10.30 P. M., and fireworks at 9.30 P. M.

The Girl Scouts have again come to the front to receive first honors for community interest and patriotism. Following publication of an appeal in last week's Our Town, the girls' loyal organization offered to provide a flag, which will figure in the exercises at 3 o'clock Monday, on the new 60-foot flag pole.

A large crowd is expected to attend and root for Narberth at the usual holiday ball game, to be held at 3.15 on the community playground. Band music will enliven the game. From 7 to 10.30 in the evening, the band will give a concert. Fireworks will brighten the community at 9.30.

The response to the circulars sent out asking contributions to defray the expenses of the band and fireworks has been gratifying, but considerably more returns are needed to make successful the efforts of the Harold D. Speakman Post, No. 356, of the American Legion, which is staging the patriotic demonstration.

## Approach of July Brings Real Heat From Sun—Mercury Mounts

Establishing a heat record for the year, the sun poured 93 degrees of summer temperature on the Main Line Wednesday, according to Weather Observer Charles Decker and Old Man Fahrenheit. Mounting steadily, the thermometer registered 79 degrees Friday, 82 Saturday, 81 Sunday, 78 Monday, 82 Tuesday and 93 Wednesday. The lowest temperature recorded during the week was 51 degrees.

Since June 1, the temperature deficiency was 105 degrees until Tuesday night, as compared with a deficiency of 120 degrees for the same time last year.

Precipitation for the week was recorded as .57 of an inch. The total of rain since June 1 was 3.58 inches. The barometer was high at 30.30 and low at 29.83.

During the week a consulting engineer of Philadelphia applied to the Main Line Co-operative Observer of the Weather Bureau for the amount of rain that was recorded here between the seventh and twenty-first of June inclusive. Mr. Decker's accurate measurements supplied the required data.

### ANNOUNCE PRIZES

Announcement is made this week of the prizes won by many contributors to the Narberth Baseball Club. Some prizes have already been awarded. Others are being handed out by Gene Davis. The list of prizes, donors and recipients follows:

### WOULD ALTER ELM HALL

Fire Company Proposes Project at Tuesday Meeting—Committee Appointed.

Alteration of Elm Hall to provide better accommodations for the fire company, Borough Council and various other branches of the borough government, was proposed Tuesday night at the monthly meeting of the Narberth Fire Company. No additions to the building are planned, but extensive changes within the present structure are contemplated.

Appointment of a committee to study the situation was made by President B. duMarais at Tuesday night's meeting. It includes the present trustees of the company, Edwin P. Dold, George B. Supplee and Walter Towan. The chairman of the committee is E. C. Griswold, president of the Borough Council.

It is proposed to divide the upper floor of Elm Hall, making room in one part for Council meetings, and in another for living quarters for a janitor. The building, by moving upstairs Council would leave room downstairs for other purposes.

"We feel that this is an opportune time to remind the citizens that it is not only their duty, but a privilege to help make this program a success," said one of the officials in charge of the celebration yesterday. "We ask you to mail in your contribution now if you have not already done so."

Citizens who have been out of town or who do not care to mail their contributions, may leave them at a booth to be established at the playground during the afternoon and evening of the Fourth. The Narberth National, acting as treasurer for the Fourth committee, is also receiving contributions, either in person or by mail.

"It is the committee's earnest desire to make this year's celebration the best our community has ever had," comes the official statement of the committee. "Your co-operation will be appreciated and the results obtained mutually enjoyed."

Citizens are requested to aid the celebration by displaying our country's flag prominently before their homes and business places. A survey of the community in past instances has shown, according to the committee's findings, that the national emblem has usually received a rather poor display. Everyone is urged to decorate this year.

### SPURNS 'EM

Overbrook and exclusive Merion were passed by, disdained, and otherwise ignored, when the 1.45 Paoli Local sailed proudly past, Wednesday afternoon. June was very much in the air. The motorman can not be censured for admiring the landscape as he passed.

Thinking of roses, honeysuckle, laurel and (who knows?) romance, he did not pause until Narberth's none-too-beautiful station house in sight. The shock brought him to his senses.

Beating a graceful retreat, the electric rolled back to Overbrook, discharged some wondering passengers, moved on to Merion, discharged some more, and then resumed its westward flight.

## POLICE KEPT BUSY BY MOTOR CRASHES

Narberth Man Loses Life at Radnor—Girl Killed Near Cynwyd.

### BUS HITS CAR IN BALA

Several lives were lost and a number of people were injured in an epidemic of motor accidents which broke out in the Main Line this week. Lower Merion and Radnor police estimated by the end of the week that they had handled over two score cases, which is the largest number here in a long time.

While supervising construction work on Sprout road, near Clyde road, Radnor township at 1 P. M. Wednesday, William Swan, 55, Conway avenue, Narberth, foreman for the Counties Gas and Electric Co., was struck by a motor car driven by Donald Sutton, Washington, D. C., and killed instantly. Magistrate Ferguson, at Wayne, held Sutton without bail to await the action of a Coroner's jury. Sutton said he did not see Swan until the car struck him. The skull of the Narberth man was fractured.

Another accident occurred when Guido Giovoniti, of Narberth, ran into a sedan driven by William Mealey, of Conshohocken, at the Hanging Rock Monday night near 10 o'clock. The sedan was damaged on the side, but no one was hurt.

At a hearing before Squire Kromer in the Ardmore police station later Giovoniti admitted that he had not had a driver's license in two years. Three witnesses also testified that he was under the influence of liquor at the time of the accident. As a result charges of reckless driving, driving without a license and driving while under the influence of liquor were preferred against him. On the first two he was fined \$50 and costs. On the third charge he was held in \$500 bail for Court.

## Exodus to Mountains and Shore Continues, Fireside Reporter Notes

Friends of Miss Betty Jane Anderson, the small daughter of Mr. and Mrs. Frederick Anderson, of Dudley avenue, will be glad to hear that she has recovered from her recent serious illness.

Miss Virginia Cabrey, of Narberth and Windsor avenues, left recently for Camp Joan of Arc in New York State. Mr. and Mrs. Ernest Cousins, of 215 Price avenue, are receiving congratula-

## PLANT POACHERS WARNED BY POLICE

Superintendent Smith Says Disregard of Property Rights Must Stop.

### TWO CAUGHT; FINED

Motorists who have no regard for property rights and who stop off to help themselves to flowers or plants which may attract them will be rigidly dealt with by the Lower Merion police. Superintendent Charles P. Smith served notice this week that his men intend to enforce the law strictly against such depredations.

"Every so often in the past we have run into people who come out here and see attractive flowers or plants on grounds that they pass decide they want some and proceed to help themselves," he said. "With the approach of warm weather and the increase of motor traffic this practice, always annoying, has come to be a downright nuisance and we are going to put a stop to it."

The superintendent's comments were made following a hearing Sunday night at Ardmore police station before Magistrate Stillwagon at which A. C. Metzger, of 220 Long lane, Stonehurst, and William J. Rourke, of 216 Long lane, Stonehurst, were tried on charges of digging up seven rambling roses on the estate of Arthur Dearborn Smith, Remington and Haverford roads, Wynnewood. They were about to cart them away, according to police testimony given at a hearing when they were arrested.

### Fine Two Who Sought Roses.

The Magistrate, citing the law passed a few years ago to punish the unauthorized destruction or removal of plant life, fined them \$25 a bush, the maximum under the law, or \$175. When the defendants were unable to produce the \$175 required the Magistrate relented and reduced the fine to \$100, which both men paid. They were permitted to take the plants with them. It is thought the men are not those who stole two azalea bushes from the premises at 406 Anthwyn road two weeks ago. George A. Bach has offered a reward of \$25 for information leading to arrest and conviction of these thieves. The offer still stands.

## LEAGUE LEADERS TOPPLE BORO NINE

Berwyn Takes Revenge for Wayne Game Lost Through Walzer Protest.

### ERRORS HIT TOWNSEND

Berwyn invaded Narberth Saturday. Smarting under the loss of the game won from Wayne, the previous Saturday, protested by Manager Walzer, of Narberth, the visitors knocked Narberth for a goal, 5-2.

Dave Trost was nicked for eleven hits, but he kept them so scattered that the few misplays behind him kept Narberth's score low. Charlie Townsend yielded fourteen hits, the majority of these coming after errors behind him had prevented the side from being retired.

George Babb's three hits and Vernon Fleck's two sensational catches provided thrills for the Narberth rooters. Four singles in a row, by Umbach, Verna, Higgins and Du Shula, in the third inning gave the Doyle's Nursery boys their victory.

Rallying in the ninth, Narberth sent in Gilfillen to pinch hit for Keyes. He drove out a triple, and scored a much-needed run. But the lead of three runs was too much to overcome.

Gladwyne secured revenge for a trimming administered by Garrett Hill the previous week—although awarded the decision because Garrett Hill used a nonlisted player. Having run out of pitchers, Garrett Hill used Jimmy Aikens, its regular third baseman, against Gladwyne. He allowed only 11 hits, but team mates' errors allowed the score to mount, 9-1.

Hen Vogel, pitching for Gladwyne won his first game in rare form. An errorless defense backed him. So far, the Gladwyne team has been coming

### COLLECT ASHES

July collection of ashes and trash will commence Tuesday, Street Commissioner George B. Supplee announces. It will continue all week until all sections of the borough have been visited.

The collection for August will start on Monday, August 1, and for September on Tuesday, September 6. Winter collection will begin on September 26, and continue each week thereafter.

## SCOUT EXODUS TO BEGIN NEXT WEEK

24 Will Leave Saturday for Delmont; 21 Will Hike to Peshurst.

### A WEEK-END CAMP

Next Saturday the big exodus of Boy Scouts to camping headquarters will start at 7 o'clock in the morning at The Cabin just south of the railroad station.

At that time, 24 boys will leave by automobile for Camp Delmont for a week's stay, and, one hour later, 21 more will begin their hike to Camp Peshurst, which is the week-end camp established along Mill Creek on the farm of Percival Roberts, Jr.

Camp Delmont, on the Unami Creek, which is a tributary of the Perkiomen, is the official Boy Scout camp of Delaware and Montgomery counties. Each of the 24 boys through the proceeds of their recent minstrel show will be given a week at this camp free of cost.

Those who have earned this privilege are: James Bailey, Edward Bartlett, Bernard Bergeron, Walter Blake, Arthur Burns, Martin Case, William Harris, Robert Hutchinson, Albert Lambert, Bernard Mellor, Joseph O'Keefe, Lewis Pugh, David Quick, George Schroder, Richard Siegel, Hugh Speed, Vestus Spindler, Richard Staley, Lee Terry, Jay Thomas, Richard Toomey, Richard Wentz, Howard Wilson and Gordon Wolf.

During their stay at camp they will be in command of Assistant Scoutmaster James McCutcheon, assisted by J. N. Wilson, who accompanied them last year. They will travel in automobiles furnished by Messrs. W. J. Bailey, L. Bergeron, F. H. Blake, Walter Case, Hugh Speed, F. A. Lanahan, E. T. Wolf and E. P. Dold, president of the Fathers' Association.

Throughout next week the work of establishing Camp Peshurst on the Roberts farm will be pushed to completion. Regulation army tents, with cots, have been erected on the hillside along Mill Creek, and everything is being placed in readiness to receive these boys next Saturday morning.

The week-end stay at Camp Peshurst will begin each Saturday morning and end at 4 o'clock Sunday afternoon. This camp will remain in existence from July 9 to and including September 4.

Through the efforts of the Troop Committee, a definite program of supervision has been perfected whereby each week-end either Scoutmaster Ben Cook or one of his assistants will be in charge. Accompanying him and the boys on each occasion will be two fathers of the boys, so that at all times three adults will be present to conduct the campaign program.

### KAEBER-TROTTER

Miss Marian Elizabeth Trotter, daughter of Mr. and Mrs. Thomas C. Trotter, Jr., 209 Woodside Avenue, became the bride Saturday evening of Mr. Clarence Raymond Kaerber, son of Mr. and Mrs. Clarence Kaerber, 215 Chestnut avenue. Reverend Robert E. Keighton performed the ceremony, which took place in the Baptist Church of the Evangel, Narberth and Elmwood avenues, at 7 P. M. Saturday.

The bride's father, Mr. Thomas Conarro Trotter, Jr., gave her in marriage. Mr. Clarence Kaerber acted as best man for his son. The ushers were George Hoskins Babb, George Laird Riddle, Kenneth Conarro Trotter and Robert T. Martin. A reception followed the ceremony, at the home of the bride's parents. Many relatives and friends who had crowded the church to witness the marriage, were present.

The bride wore a dress of white satin trimmed with point lace. It had a tight bodice and full skirt. The long tulle veil trimmed with orange blossoms, was caught in a cap effect. She carried lilies of the valley and bridal roses.

Mrs. Ethel T. Shryock, sister of the bride, was matron of honor. She wore an orchid chiffon dress, with hat and satin slippers to match. Her flowers, as well as those of the bridesmaids, were peach snapdragons and blue larkspurs.

Miss Edith Johns Humphreys came from Easton, Maryland, to act as bridesmaid. Her dress was of pale green chiffon, which was matched by her slippers and hat. Mrs. George Laird Riddle wore peach chiffon, with satin slippers and a large drooping hat to match.

The post office is undergoing interior decorations. Unable to secure improvements from their landlord, the employees, under Postmaster J. Bertram Nesper, are doing the work themselves.

A class of 12 pupils of St. Margaret's School, Forrest avenue, were awarded on Thursday certificates testifying to their having completed in an honorable manner the course of study prescribed. The program was brief and becoming the occasion. The boys and girls were happy, their parents and friends beaming with pleasure and altogether everything reflected the joyousness bespoken all day long by the perfect June weather.

Sharing largely in the prominence of the occasion, too, were the boys and girls of the lower grades, to many of whom the school was proud to award medals and premiums for proficiency or diligence in study.

The opening chorus, "The Heavens Are Telling," was sung by the girls of the upper grades. Following this medals and certificates were given to the following pupils finishing their course:

Mary Brennan, Anna Butler, William Chain, Constantine Constantine, Joseph Constantine, Katherine McCartan, Frederick McCarthy, Margaret O'Brien, Charles Quinn, John Thomas, Gertrude Wafer and Mary Wafer.

In the lower grades prizes were awarded as follows:

Eighth Grade—First prize, Katherine McCartan; second prize, Frederick McCarthy; third prize, Margaret O'Brien.

Seventh Grade—Honor medal, Constance Manion; first prize, Monica Tierney; second prize, John Hopkins. Sixth Grade—Application medal, Robert Hood; first prize, Mary Torchiana; second prize, Betty Chain.

Fifth Grade—Application medal, Francis Dixon; first prize, Marie Meyer; second prize, Anna Newbourg.

Fourth Grade—Application medal, Harold Bradley; first prize, Eileen Leahy; second prize, Mary Gallagher.

Third Grade—Application medal, Gerald Lynam; first prize, John Chain; second prize, Mary Hewitt.

Second Grade—First prize, Betty McKeown; second prize, John McNamee.

First Grade—First prize, Mary Becker; second prize, Felix Daley.

Certificates of regular attendance and punctuality were awarded by His Eminence, D. Cardinal Dougherty, to William Chain, Mary Brennan, Constance Manion, Anna Brennan and James Parke.

A five-dollar gold piece, donated by Mrs. William Torchiana, for regularity and punctuality, was drawn for by the last named group and fell to Constance Manion. The thanks of the school were expressed to Mrs. Torchiana for founding the attendance prize and to Mr. Nicholas Thourno for his never-failing support of the school and in particular for donating the gold medals awarded each year.

The Rev. Father Hayes presided at the exercises and in his address expressed his pleasure at the evidences of the seriousness with which both teachers and pupils regarded their work throughout the school year. Thanks were extended the good Sisters of Mercy for their extraordinary zeal.

The speaker congratulated the pupils who are about to enter high school and the program came to an end by the singing of "The Star-Spangled Banner" and "Holy God We Praise Thy Name."

### WIN SLUGFEST

Walzer's Wallopers Sink Philadelphia  
Cardinals, 15-2—Babb Stars at  
Bat.

The Narberth baseball team sank  
the Philadelphia Cardinals without a  
trace Wednesday evening in a twilight  
game played on the home field, score  
15-2.

The borough batsmen slugged,  
socked and bombarded the enemy  
pitching for a total of 14 hits. Mer-  
schen started on the mound for the  
visitors, but was soon driven from the  
peak by the withering fire. Levitt, who  
succeeded him, did little better in hold-  
ing the Narberth maulers in check.

While Walzer's Wallopers were  
having a field day with the Cardinal  
pitching, Flynn, Hurst and Babb, who  
took turns serving them up for Nar-  
berth, held the visitors to one solitary  
hit.

Pitcher-First Baseman George Babb  
inflicted the greatest damage on the  
opposing hurlers. He collected three  
hits; a homer, a double and a single.

The next twilight game on the Nar-  
berth nine's schedule is Wednesday  
evening, July 6. Overbrook A. C. will  
be the attraction at that time.

### NARMER NINE CHAMP

Wins Play-Off Game With Junior  
Elephants, 3-0, to Cop League  
Title.

The Narmer Boys' Club took the  
championship of the Junior Main Line  
Baseball League when they won a  
play-off game with the Junior Ele-  
phants at the Narberth ball field last  
Friday. The final count was 3-0.

The two nines had finished the sea-  
son tied for first place, each having  
won six and lost one game. The play-  
off aroused considerable interest and  
attracted a large attendance.

The game was featured by its pitch-  
ing. Both hurlers were effective and  
kept the hitting down to a minimum.  
Odiorne, who was on the mound for  
Narmer, shut the Elephants out, allow-  
ing them only two hits. Parkes, of the  
losers, allowed only one more hit, but  
was the victim of poor support on the  
part of his team mates. Of the three  
runs scored against him only one was  
earned. The other two came in on  
errors.

Have you  
ever made  
good on  
one job..  
for 39 years?

THE extra mileage you get from Dunlop tires starts with the fact that Dunlop has had thirty-nine years of tire-building experience—more than any other tire-maker.

Each part of each Dunlop is built right. Dunlop owns its own cotton mills to spin selected long-fibre cotton into the special Dunlop cable-twist cords.

These cords mean extra strength—an added factor of safety against constant load and pounding of roads—longer life and greater mileage.

They mean extra "stretch"—so the tire carcass will give under blows, and come back to its original shape without the slightest injury.

Every Dunlop you buy has extra miles built into it because Dunlop knows each part of its job. That is why we recommend you put Dunlops on your car.

## To the Lady of the House

OR

Isn't the Heater Fire a Woman's Job?

It isn't just the trend of modern times that has made the heater fire a woman's job. That has always been more true than not.

Isn't it the woman who must "fire up" in the day time hours, the woman who feels the atmospheric changes in a house because she is in it more consistently; the woman who offers the reminder that "it is time to order coal"?

That is why we address this message to the "Lady of the House." It must mean something to her to burn coal that will give more heat and less ash; and it must be a relief to her to know that the coal bins are filled with such coal in preparation for next winter.

And so we say to her: "See that your coal bin is filled now for next winter, and see that it is filled with JEDDO-HIGHLAND coal. Your job will be lighter."

## "BOOKS I HAVE READ"

Note Book Attracts Attention at Narberth Library.

The small yellow note books labeled "Books I Have Read" have attracted much attention at the library the past week and already many have been purchased at the nominal sum of five cents, which simply covers the cost. They were bought in the beginning for the records to be kept by the girls and boys of Narberth who had joined the vacation reading club. This club was formed at the instigation of the Mothers' Council, who have offered a prize to the child in each grade who presents in the fall the best kept note book recording at least ten books read. The reading club and the prizes are not confined to children who attend the Narberth schools, but may be participated in by any child of school age.

It is very generally recognized that children grow weary and restless during the long vacation and a program of this kind, not too compelling, affords just the right kind of incentive to add zest to the summer's freedom. The list of books to be read has been selected carefully and the records are simple and easy to keep. Any child not yet registered in the reading club may do so at any time, but the sooner the better. This past week twenty girls and boys have joined the group and have started to read the book of their first choice.

through like a ton of bricks. Paolo upset the dope when it dropped Wayne from second place, with a score of 8-2. Both pitchers were going well—Walker, of Wayne, striking out 12 men, and Burton setting back 10 for Paolo. Better support in the field, and a bunching of hits in three innings, helped.

The score of the Berwyn-Narberth game follows:

Increase in authorized capital affords attractive investment opportunity in one of Montgomery County's rapidly growing industries.

Established on a small scale less than four years ago, this company now operates two large manufacturing plants from which its products are distributed over the entire United States and in ten foreign countries. This remarkable growth, while exceptional, has been in no sense spectacular, but the logical result of hard work, superiority of product, strict adherence to sound business principles and competent management—factors which afford the strongest assurance of the continued growth and prosperity of the business.

A portion of the additional stock recently authorized has been sold. The remainder, while it lasts, is available in large or small amounts for investors to whom an exceptional opportunity of this character appeals. An inspection of the plants by prospective stockholders will be welcomed.
